Ordering Information

- Standard voltage is 120V/60Hz. Products are shipped this way unless otherwise specified.
- Standard wattage is lowest available, unless otherwise specified.
- Standard cordsets are NA (NEMA 5-15) Cord-sets. (K in the American Beauty Cord-set Designator Chart, see below)
- Standard tips are Paragon® Soldering Iron Tips, which are included unless less tip (“LT”) is specified when ordering.
- Optional high-voltage (220V, 50Hz) is available on some Models. Call for pricing and availability.

Terms and Conditions

1. Pricing

ATI makes every reasonable effort to hold prices for one calendar year. However, ATI reserves the right to change prices or discontinue products without notice. Distributors are responsible for contacting and confirming ATI’s current pricing and product status.

2. Minimum Order

ATI has NO minimum order value.

3. Shipping Charges

All shipments sent “best way” at ATI’s discretion. Special shipping method, packaging and handling at customer’s expense. ATI does not make it a practice to ship orders on the same day as they are placed. Additional charges will apply if this is requested.

4. Drop Shipments

ATI has NO additional charges for drop shipments.

5. Damage Claims

All shipments are made FOB Clawson, Michigan. ATI cannot be held responsible for damage caused in transit. Report any discrepancy or damage to the carrier/agent that made the delivery. Save all boxes and packing material.

6. Shortage Claims

We must receive claims for shortages or incorrect material within ten (10) working days from invoice date.

7. Payments

- All invoices are to be paid in U.S. dollars within thirty (30) calendar days. A prompt payment discount of 1% of the total invoice may be taken if payment is made within ten (10) calendar days of the date of invoice, unless otherwise notified by seller.
- Past due accounts (i.e. invoices not paid within thirty (30) days) will be subject to a late charge of 1.5% per month. Buyer shall be liable for all expenses, including attorney’s fees, relating to the collection of past due amounts.

8. Returns and Exchanges

Contact our Customer Service Department for a Return Materials Authorization Number. We cannot process any claim for credit without a RMA number. Any product for return or exchange must be in saleable condition, of current design and in original ATI packaging. All material returned for credit will be inspected and must be approved prior to any credit being issued. ATI allows each distributor one stock rotation per calendar year that equals no more than 10% of the previous calendar year invoices. A 30% restocking fee will apply unless a purchasing order equaling the value of the returned merchandise is issued and received by ATI the same day as the stock rotation request. Any returns other than annual stock rotations will be subject to a 30% restocking fee. All returned merchandised will be subject to inspection for saleability and upon approval, will be credited at the original invoiced amount.

9. Warranty

- Soldering iron elements are warranted for manufacturing defects for ninety (90) days from date of invoice.
- Paragon Soldering Iron Tips, Resistance Soldering Electrodes and Elements, and Desoldering Braid are consumable items and therefore not warranted.
- All other ATI products are warranted for manufacturing defects for repair or replacement, **at our option**, for three years from invoice date.

10. International Cordset Letter Designators are as follows:

A - Continental Europe (aka:Schuko) Cordset (CEE 7/7)
B - Europlug Cordset, Ungrounded (CEE 7/16)
C - Australia/New Zealand Cordset (AS/NZS 3112)
